

The camp movie is a composite of the week's daily activities. The movie quality is comparable to amateur home movies. We may not have all the acts from talent sharing, but we tried and that's about all you can do. The home movie will be shipped in August. All net proceeds will directly benefit next year's camp. FAME is a 501c3 non-profit organization. See you next year at FAME Camp 2010!
