

Dear Parents and Students,

We are pleased that you are participating in FAME's Fusion of Concert Colors program.

About the program – All northern Indiana elementary and middle FAME schools are invited to participate in this Free program. It is designed to promote interdisciplinary arts understanding by encouraging students to draw connections between musical selections and the visual arts. FAME teachers guide students to create African composer Halim El-Dabh. As a special honor one child's artwork from each grade level is selected as the FAME Poster of the Year and the posters are used to promote the FAME Festival throughout the region.
