

PLANET EARTH 2020-2021

FAMEOUS Notes

September

Thanks to all who attended the virtual FAME Teacher's Meeting! It was great to see all of you! We had a lot of new information to go over so if you missed it please go on www.famearts.org under Teachers Resources to watch the video and to get your hand-outs.

This year we will be celebrating Planet Earth as our theme for 2020-21. There are many things you and your students can do like making recycled art projects, singing songs about the earth, writing poems etc...

Because we are unable to go into the schools for now, we have cancelled the Composition Project this year. We will resume the Composition Project in 2021.

New for this year is the FAME Membership. The fee for this year is only \$25 and it will cover these FAME Programs:

- Fusion of Concert Colors
- FAME Festival

FAME Festival

We are excited about the annual FAME Festival this March. It will more than likely be a virtual festival and you will be able to upload your art and music presentations- but we are still working out logistics and will keep you all informed as the information becomes available.

All performances and artwork are covered in your \$25 membership fee

This activity is made possible, in part, with support from Arts United, the Indiana Arts Commission, and the National Endowment for the Arts, a federal agency.
